范文 1

My Favorite Season

There are four seasons in a year, but my favorite season is autumn.

First of all, it's a beautiful season. Leaves start to turn yellow. Sometimes you can see yellow leaves falling and dancing in the wind. What a beautiful view! The sky is often blue and clear. The weather is pleasant. Why not take a trip in the beautiful autumn? Or you can just take a walk in the

park.

Second, it is a harvest season. Lots of fruits are ripe in autumn, such as oranges, mangoes, bananas and apples. I like eating fruit.

Third, I like two festivals that happen in autumn—Mid-Autumn Festival and National Day. I'm happy to celebrate Mid-Autumn Festival with my grandparents. We live in different cities, so I seldom see them. During the National Day Holiday, my parents often take me to travel. And I like traveling!

Finally, I have to say I like autumn best. What's your favorite season?

范文 2

My Favorite Season

There are four seasons in a year, but my favorite season is autumn.

It is cool in autumn. The wind blows gently. The sky is blue and the air is fresh. It's wonderful. The leaves fall down from the trees. Some leaves become red, yellow or brown. It is beautiful. When I was a little boy, I often jumped on the fallen leaves.

Autumn is the harvest season. You can eat many kinds of fruits and vegetables. The crops get ripe. They taste nice.

Autumn is like a golden picture. I like this color. I was born in autumn, so I love the season very much.

This is my idea of autumn. What do you think?

范文 3

My Favorite Season

There are four seasons in a year, but my favorite season is winter. I love the snow in winter.

When snow falls, we can enjoy a wonderful white world. How beautifully it is falling all day long. All is white. Then we will stay outdoors to make snowmen with our friends and play with snow together.

I love winter not only because of the beautiful snow but also because it decorates New Year's Day. It is exciting to us. An old year ends and a new year begins in winter. I step happily into the new year and get ready for more surprises.

Notice

Boys and girls,

Here is good news for you! We will invite five students to give us an English talk at 3 p.m. this Friday in our school library. They have just finished their exchange visit to Woodpark School. They will talk about the activities in and outside school. They will also talk about the culture shocks because they have already experienced many local cultures. It will be educational and interesting. If you are interested in the educational exchange, please join us on time. Don't forget to bring a pen and a notebook to write down some useful information. We look forward to your coming.

Dear sir,

I saw your poster yesterday and have a great interest in your programme *Travel Quiz*. I write this email to recommend myself to your programme.

I am a 14-year-old boy and study in a junior high school. I have many hobbies such as collecting stamps and postcards. I am friendly to others and easy to get along well with. I have travelled to ten different countries around the world, so I know about many interesting cultures. What's more, I also have a strong heart and I won't give up easily when I face difficulties. I think I am a good contestant.

I hope I can get this chance to take part in your programme and have a bright future! I'm looking forward to your early reply.

Yours,

Li Hua
